X1

Mr. Michael Madigan  
Select Committee To Study Governmental  
Operations With Respect To Intelligence  
Activities  
Room G-308  
Dirksen Senate Office Building  
Washington, D.C.

Dear Mike:

It was my understanding last Sunday that the  
Summary and attachments which you requested and  
which were delivered to you on Monday morning  
were to be used during a specific hearing and then  
returned.

Please call me so that I can arrange to have  
the material returned to this Agency.

Sincerely,

Walter Elder
